schmerhorn wright management 3rd canadian edition with its rich canadian content accessible writing style currency and wealth of resources is the ideal introductory management product that will provide professors the opportunity to offer their students an engaging adaptive and interactive experience that will help them succeed in their introductory management course students will be able to think critically and make sound business decisions using managerial theory as concepts are explored and reinforced by many hands on applications exercises cases and the integration of technology

this edition of the canadian encyclopedia is the largest most comprehensive book ever published in canada for the general reader it is complete every aspect of canada from its rock formations to its rock bands is represented here it is unabridged all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume it has been expanded since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50 to over 4 000 000 words it has been updated the researchers and contributors worked hard to make the information as current as possible other words apply to this extraordinary work of scholarship authoritative reliable and readable every entry is compiled by an expert equally important every entry is written for a canadian reader from the canadian point of view the finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country this book deserves pride of place on the bookshelf in every canadian home it is no accident that the cover of this book is based on the canadian flag for the proud truth is that this volume represents a great national achievement from its formal inception in 1979 this encyclopedia has always represented a vote of faith in canada in canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated at the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this canadian encyclopedia is offered in a spirit of defiance and of faith in our future the statistics behind this volume are staggering the opening sixty pages list the 250 consultants the roughly 4 000 contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project the 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it

the largest some might say the greatest canadian book ever published there are of course many special features these include a map of canada a special page comparing the key statistics of the 23 major canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers but above all the book is encyclopedic which the canadian oxford dictionary describes as embracing all branches of learning this means that with rare exceptions there is satisfaction for the reader who seeks information on any canadian subject from the first entry a mari usque ad mare from sea to sea which is canada s motto and a good description of this volume s range to the zouaves who mustered in quebec to fight for the beleaguered papacy there is the required summary of information clearly and accurately presented for the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination the word encyclopedia derives from greek expressions alluding to a grand circle of knowledge our knowledge has expanded immeasurably since the time that one mind could encompass all that was known yet now canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume the result is a book for every canadian who values learning and values canada

abnormal psychology 6th canadian edition builds upon the strengths of the classic davison and neale textbook and presents abnormal psychology from a unique canadian perspective with a contemporary emphasis it provides students with the most up to date relevant and comprehensive content available in an abnormal psychology undergraduate textbook the material is presented in a clear and concise manner that offers students the foundation they need to succeed in the abnormal psychology course and in their future studies abnormal psychology offers students a wealth of tools and content in a structured online learning environment wileyplus wileyplus provides students with an engaging intuitive interface with cohesive vetted resources everything students need to master the course videos a complete etextbook practice questions assessments and more is in one place wileyplus provides trusted author branded content and resources that can easily be customized to match an instructor s teaching preference and integrated into their campus lms backed by learning science and customer driven development the wileyplus course supports instructors with efficiency and data driven insights so they can help students succeed in their coursework and beyond

this second of three volumes in the history of the book in canada demonstrates the same research and editorial standards established with volume

one by book history specialists from across the nation

across the globe history has gone public with the rise of the internet family historians are now delving into archives continents apart activists look into and recreate the past to promote social justice or environmental causes dark and difficult pasts are confronted at sites of commemoration artists draw on memory and the past to study the human condition and make meaning in the present as a result of this democratisation of history public history movements have now risen to prominence this groundbreaking edited collection takes a comprehensive look at public history throughout the world divided into three sections background definitions and issues approaches and methods and sites of public history it contextualises public history in eleven different countries explores the main research skills and methods of the discipline and illustrates public history research with a variety of global case studies what is public history globally provides an in depth examination of the ways in which ordinary people become active participants in historical processes and it will be an invaluable resource for advance undergraduates and postgraduates studying public history museology and heritage studies

within the sonora segment to the south break off magmatism was also prevalent both the canadian and sonoran segments have abundant porphyry copper mineralization temporally and spatially associated with the break off magmas which suggests a genetic link between slab failure and porphyry copper mineralization by 53 ma eastwardly dipping subduction of pacific ocean crust was generating arc magmatism on the amalgamated cordilleran collision zone in both the canadian and sonoran segments oceanic schists such as the orocopia pelona rand were formed in the ocean basin west of rubia and accreted during initiation of the new easterly dipping subduction zone a major transform fault called the phoenix fault connects the sevier fold thrust belt at the california nevada border with that in eastern mexico and separates the great basin and sonoran segments it juxtaposes the sierra mojave sonora block alongside the transition zone of the colorado plateau cordilleran events affected the subsequent development of western north america for example the structural basin and range province appears to coincide with the region where exotic allochthons sit atop north american crust in both the great basin and sonoran segments also within the triangular columbia embayment large segments of rubia appear to have escaped laterally during the cordilleran orogeny to create a lithospheric hole that was later filled by basalt of the columbia river and modoc plateaux
